Hi you all – we're happy to see what our Region 4 colleagues have written up -

At any rate, I'd advise circulating the documents so we can have a look before setting up additional meetings. There's no point in rehashing issues that we've been discussing internally for going on 18 months unless we have the state's definitive views on the issues that we've identified.

Thanks

Sounds like a good plan, Simma. Yes, a pre-meeting before meeting with the senior leadership would be good.
Thanks.

Mike, Carrie, and JT,

To follow up on the email exchange below: per direction from senior leadership, Matt Hicks and Kavita Nagrani, attorneys in R4 ORC, cc'd, have had a series of discussions with attorneys from DEP to nail down DEP's views on its criminal enforcement authority.

Ex. 5 AC/DP

Matt and Kavita, do you want to send out your analysis to the group?

JT, Mike and Carrie, should we work with R4 to set up a follow-up briefing for you all, as well as non-political management in OW and perhaps Steve N., before briefing senior leadership on Florida's response and next steps?

Hi, Simma. Can you please let us know where the FL enforcement authority issue stands? Last I heard you and ORC did have some conversations with FL about this, and they were going to discuss internally....

Thanks.

Hi you all – just checking in on the FL 404 delegation work. Below is an email that JT Morgan sent to Simma and OW on Friday, then shared with me.

Happy to chat if you like – am around this week through COB Thurs. Otherwise, if you can shoot back a note letting me know where things stand (or who I should ask in OW or R4), I'd appreciate it.
